8. Attached hereto as Exhibit 6 is a spreadsheet created at my direction that shows royalties Zuffa received from the sale of videos of fights featuring Plaintiff Quarry for some months in 2010, 2011, and 2014. This spreadsheet was created by searching Zuffa's document productions for information concerning royalties Zuffa received from the sales of videos or digital content by Amazon, Sony, or Xbox. The documents from which this spreadsheet is derived are listed in the chart below by Bates number. All of the documents in the chart were produced by Zuffa to Plaintiffs in this litigation. This spreadsheet does not reflect all of the sales by Amazon, Sony, or Xbox of videos featuring Plaintiff Quarry. The spreadsheet reflects only certain transactions between December 2010 and July 2011, and from certain months in 2014. This document was created using Microsoft's Excel application by isolating the entries specific to Plaintiff Quarry's bouts within each of these files. These entries were then concatenated within a single spreadsheet, further paring that listing down to include only unique entries based on transaction date, transaction source, and title.
